NR	ELEMENT	7130N
E1	 The diagram shows two identical vertical assemblies side-by-side. Each assembly consists of a vertical rod with a horizontal bracket at the top and a small rectangular component near the bottom. A leader line points from a box labeled '7130_1' to the small rectangular component on the right assembly.	1
E2	 The diagram shows a single vertical assembly consisting of a vertical rod with a horizontal bracket at the top and a small rectangular component near the bottom. A leader line points from a box labeled '7130_2' to the small rectangular component.	1
E3	 The diagram shows a single vertical assembly consisting of a vertical rod with a horizontal bracket at the top and a small rectangular component near the bottom. A leader line points from a box labeled '7130_3' to the small rectangular component.	1
E4	 The diagram shows a single vertical assembly consisting of a vertical rod with a horizontal bracket at the top and a small rectangular component near the bottom. A leader line points from a box labeled '7130_4' to the small rectangular component.	1
E5	 The diagram shows a single vertical assembly consisting of a vertical rod with a horizontal bracket at the top and a small rectangular component near the bottom. A leader line points from a box labeled '7130_5' to the small rectangular component.	1
E6	 The diagram shows a single vertical assembly consisting of a vertical rod with a horizontal bracket at the top and a small rectangular component near the bottom. A leader line points from a box labeled '7130_6' to the small rectangular component.	1
